NOTE:

1. Commandant POF Hospital reserves the right to issue new instructions not included in the contract during the contract period. The attached list of medicines/numbers of items will be flexible as any new item of medicine may be included in the list as and when required. Any new item will be provided on same volume discount/discount of retail price of item.
2. At any instance if the price quoted in the bills is found higher than those approved by Ministry of Health, administrative action will be taken as deemed fit. The maximum Retail price will also be flexible as it can change with change of price by Ministry of Health (DRAP). However, discount rate will be fixed for complete one year.
