EXPRESSION OF INTEREST

POF-Weapons Factory intend to seek expression of interest from potential manufacturing units in local industries across Pakistan for retrofitting of 02 x Induction Hardening Machine (High Frequency Furnace). The scope of manufacturing activities may include machining operations in very closed tolerance.

02. Interested parties having suitable manufacturing facilities of mechanical works are requested to submit their resources detail on or before 15-12-2021 to undersigned, for further correspondence in this regard. Suitable manufacturers in local industries could be awarded contract for retrofitting.
